

Emergency Medical Technician (EMT) Trainee

Are you interested in becoming an Emergency Medical Technician (EMT)? Wait no further, Mutual Aid Ambulance Service is offering a paid training program!

This academy style EMT training program will run from October 7, 2024 until December 6, 2024. The training program consists of 224 hours of education including, but not limited to, 168 hours of didactic and psychomotor training and 56 hours of field precepting.

This is a temporary position scheduled 32 hours a week, Monday-Thursday, 0800-1600 at a rate of \$15/hour.

Training will take place at Mutual Aid Ambulance Service Inc, 561 West Otterman Street, Greensburg PA 15601.

Upon successful completion of the EMT training program and certification, trainees will be offered a full-time EMT position at a starting rate of \$19/hour including a competitive benefits package and PTO.

Applicants must be 18 years of age and have a valid driver's license along with a high school diploma or GED to qualify.

The cost of the EMT Training Program, materials and examination will be paid for by Mutual Aid Ambulance Service Inc. provided that there is a signed intent to accept a conditional offer of employment, with intent to remain employed full time as an EMT with Mutual Aid Ambulance Service for a period of 12 months after completing the EMT Training Program, passing the National Registry of Emergency Medical Technicians (NREMT) cognitive examination and Pennsylvania Department of Health Bureau of EMS psychomotor examination. Should a candidate withdraw from the training or have their employment terminated for any reason while in the academy, the trainee shall be responsible for repayment of the training at an amount of \$1,513.95 within 90 days.

Successful applicants must successfully complete all employment prerequisites including clearances, physical and drug screen. See additional details below and apply today! Applications are due by September 19th.
